RoHS and WEEE Policy

The Restriction of Hazardous Substances in Electrical and Electronic Equipment (ROHS) Directive (2002/95/EC) and the Waste Electrical or Electronic Equipment (WEEE)

WDS Components Limited (WDS) are a manufacturer and distributor of engineered components and as such are pleased to inform you that none of the components which we may supply to customers or indeed the materials they are made from contains anything which may contravene these directives.

This document provides the necessary assurance that WDS fully recognises and is actively engaged in satisfying its ROHS and WEEE obligations. If you would like to discuss any aspect of this letter further please do not hesitate to contact the Quality Controller here
