### COMBINED SHIPMENTS / AS AVAILABLE

Should a product not be available from stock there are options to select either:

#### Combined Shipment

This is the lowest cost shipping option and will send all items on an order when all products are in stock and ready to despatch. A customer sales advisor will advise on estimated delivery dates.

#### As Available (Standard)

This will ship products as and when they are available on the standard delivery method

#### **As Available (Express)**

This will ship products as and when they are available on the express delivery method

Shipping costs are based on the weight and value of the goods being purchased. WDS hold the right to change the courier based on these rules

WDS also has a range of flexible delivery options to suit individual needs and all at very cost effective rates. You, the customer can choose the delivery method according to the urgency of your requirement and we will do the rest whether same day, next day, before a certain time or on a nominated day some time in the future. For more information on shipping please contact us.

## **DELIVERY AND PASSING OF RISK**

Any stipulated time for delivery shall date from the receipt by the seller of the buyer's written order.

The seller may deliver the goods in instalments and invoice the buyer as if each such instalment comprised a separate contract upon the terms of WDS Components Limited (WDS) Terms and Conditions of Sale.

If delivery of the goods is delayed through any act or omission of the buyer, the seller may put the goods into storage at the buyer's risk and expense

Damaged goods and shortages must be notified in writing to WDS within seven (7) days of receipt.

The time period quoted for the delivery of the goods shall not be the essence of the contract and WDS will not be liable for any loss, injury, damage or expenses consequent upon any delay of the delivery of the goods.

**The time period quoted for the delivery of the goods shall not be the essence of the contract and WDS will not be liable for any loss, injury, damage or expenses consequent upon any delay of the delivery of the goods.**

## **LOSS OR DAMAGE IN TRANSIT**

Any liability which the seller may incur for loss of or damage to the goods whilst in transit shall in no case exceed the invoice value of the goods and in no circumstances shall the seller be liable for any indirect or consequential loss however caused.

## **DELAY IN DELIVERY**

Delay in completion of work, delivery or in the case of a contract for delivery by instalments delay in the delivery of an instalment shall not give rise to any liability upon the seller, whether or not any time or date is given in this respect and shall not entitle the buyer to terminate the contract.
